

TRUTH-IN-SAVINGS DISCLOSURE KASASA CASH ACCOUNT

Rate Information - Your interest rate and annual percentage yield may change. **Frequency of rate changes** - We may change the interest rate on your account at any time.

Determination of rate - At our discretion, we may change the interest rate on your account.

Interest rates:

- ◆ **Tier 1** - If the daily balance of your account is less than \$15,000.01 and your account meets the minimum monthly activity requirements necessary for a monthly qualification cycle (see definition below), the initial interest rate paid on that portion of your account balance that is less than \$15,000.01 will be _____ 1.99 % with an annual percentage yield of _____ 2.01 %.
- ◆ **Tier 2** - If on any day during a qualified statement cycle, the daily balance of your account exceeds \$15,000.00, the initial interest rate paid on that portion of the balance in your account above \$15,000.00 will be _____ .50 %. The annual percentage yield for this tier will range from _____ 2.01 % to _____ .70 %.
- ◆ If during any statement cycle you fail to meet any of the minimum monthly activity requirements necessary for a monthly qualification cycle, the initial interest rate paid on each daily balance of your account for that statement cycle will be _____ .10 %, with an annual percentage yield of _____ .10 %, regardless of your account's balance.

Minimum monthly activity requirements - To qualify for the Kasasa Cash preferred rates and receive reimbursements for the ATM fee surcharges, you must meet the following requirements during the monthly qualification cycle:

- ◆ **Debit Cards:** 12 debit card transactions (excluding ATM transactions) must post and settle to your account per monthly qualification cycle. Debit card transactions processed by merchants and received by us as ATM transactions do not count towards qualifying debit card transactions. Only debit card transactions processed by merchants and received by us as point-of-sale (POS) transactions count towards qualifying debit card transactions.
- ◆ **Electronic Statements:** Be enrolled and receive your monthly account statement electronically. Please contact us for details on how to enroll.
- ◆ **Direct Deposit or ACH:** One direct deposit or one ACH automatic payment must post and settle to your account per monthly qualification cycle.

Please note that transactions MUST post and settle to your account during the monthly qualification cycle. They may not be in a pending state to qualify as one of the qualifications. Transactions may take one or more business days from the date the transaction was made to post and settle to an account. Intra-bank transfers do not count as qualifying ACH transactions.

Compounding and crediting frequency - Interest will be compounded every month and will be credited to your account on the last day of the statement cycle.

Effect of closing an account - If you close your account before interest is credited, you will not receive the accrued interest.

Minimum balance to open the account - You must deposit \$100.00 to open this account.

Daily balance computation method - We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Accrual of interest on noncash deposits - Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

Statement cycle - You must receive monthly statements for your account electronically. To receive monthly statements for your account electronically, you must enroll in Online Banking to view monthly statements for your account. Your statement cycle will be on the 3rd Wednesday of each month. Your next statement cycle will begin on the day after your statement cycle closing date each month and will close approximately 30 days later.

Monthly qualification cycle - A monthly qualification cycle is a statement cycle during which you meet all of the minimum monthly activity requirements. Monthly qualification cycle means a period beginning one business day prior to the first day of the current statement cycle through one business day prior to the close of the current statement cycle.

ATM fee reimbursement - When your account qualifications are met during a Monthly Qualification Cycle, you will receive reimbursements up to a maximum total of \$45 per month for nationwide ATM withdrawal fees incurred during the Monthly Qualification Cycle in which you qualified. If you have not received an appropriate reimbursement, we will adjust the reimbursement amount if we receive the transaction receipt within sixty (60) calendar days of the withdrawal transaction. ATM withdrawal fee reimbursements will be credited to your account on the last day of the statement cycle. When your account qualifications are not met during the Monthly Qualification Cycle, ATM withdrawal fees are not refunded. Note: ATM withdrawals do not count as qualifying debit card transactions. If you close your account, you will not receive reimbursement that have not yet been credited to your account.

Limitation on number of accounts - Limit one Kasasa Cash account per social security number.

Additional terms:

You will automatically qualify for the preferred rates and the ATM fee reimbursements for the first statement cycle after account opening.

Kasasa is a trademark of Kasasa, Ltd., registered in the U.S.A.

Dormant accounts - If your checking account is in dormant status AND has a balance less than \$500, Synergy Bank will assess a dormant account fee of \$3.00 per month. If you have not made a withdrawal from or a deposit to your account for a period of 12 consecutive months, AND you have not otherwise reactivated your account, the account will be considered a dormant account. You may reactivate your account by making a transaction to it or by providing a written request for reactivation. If by assessing the dormant service charge the account reaches a zero balance, the account will be closed.
