

Below is a list of important dates you need to know if you're going to Kasasa. Dates marked with a circle are the days that your qualification cycle starts. That cycle will end on the next day marked by a box. **All transactions for the current cycle must post and clear by the date indicated by the box to count towards your qualification.** Some businesses will not process a transaction the same business day. Should you ever have any questions about whether you're on track to qualify, you can call us or check your account online.
